Wyatt, Congratulations! Through our fights and laugh, we have had some amazing times and I'll always remember them. I'm so proud of you and what you have been able to accomplish so far in life. You are entering a new chapter in your life and I know you will go far. Never give up! I love you, -Tessa

Bianni, We couldn't be prouder of you. There has always been a glow about you. You have turned into the best dancer out there, but why wouldn't you? We started you out at age 2 doing what you love. We know you'll be a success at whatever you do! Love you Sweetie!

<3 Mom and Dad

Wyatt, You amaze us daily with your wit and charm. It doesn't seem possible that 17 years have passed so quickly. As we watch you grow into an adult, a favorite bedtime story refrain comes to mind: 'Till love you forever, I'll love you for always. As long as I'm living, My baby you'll be' We are so proud of you! Mom and Dad

AJ: Our lives have never been the same since the day you joined our family. You've taught us patience, love and compassion. Soon we'll write a new chapter in the book of A.J. We're excited and apprehensive, but we'll do it together and that's the best part.

With all of our love and support, Mom & Dad.

Malarie: We love you so very much and we're so proud of you. We remember the day you were born and your ballet recitals, cheerleading and all your activities. Now you're graduating from high school. You grew up way too fast for us. We know you'll succeed in everything you do. Your future will be full of wonderful things.

Love always, Gramp and Gram Allen

Elynizia: I'm proud of who you are! You will always put a smile on my face.

Love, DAD

Mikaila: Congratulations, You did it! We know it hasn't been an easy journey for you, but you put one foot in front of the other and keep a positive attitude the whole way! As you move to the next chapter of your life we are all here for you every step of the way. We are so proud of you!

Love, Mom, Eric, Amber, Chadler, Grandma and Grandpa

Mik, we can't believe you are a senior. The years have gone by way to fast. You are a very special young lady to us and always will be. We wish nothing but the best for you and always remember how special you are.

Love Dad, Karen, Lexi, MeMe, PaPa, Uncle Mike, Aunt Dawn, Min, Zac

Megan: We are so proud of you... for all your accomplishments, your big heart, your ability to overcome life's obstacles, your courage to make the right choices, and your whacky humor. Always look up higher and higher to see life's endless possibilities. You can be anything you want to be.

Love, Mom and Dad

Megan and Katelyn: Watching you two grow up has been very rewarding, but has gone by too quickly. You have caused many laughs and unforgettable memories. Dream big, work hard, be true to yourselves and support one another. Never allow what you can't do to interfere with what you can do.

Love, Mom, Dad, Aunt Jodi and Uncle David

Kaitlyn, Megan, and Annie: From Wallingford preschool to Mill River you have each brought a lot of joy and happiness to our lives. Be proud of who you are. Be courageous to take the next step. As Dr. Seuss says "You have brains in your head and feet in your shoes you can steer yourself in any direction you choose."

Congratulations Courtney you have become a beautiful young lady. We have enjoyed watching you grow throughout the years. But now, it is time to move on to the next part of your life. Good Luck.

Love, Mom, Dad, and Amanda

RJ: We are so very proud of you- we love you with all our hearts.

Mom and Dad

RJ: Slow it down RJ you still have a lot of future to drive through.

All our love, Mom and Dad

Remember Me
Remember me when the flowers bloom
Early in the spring.
Remember me on sunny days
In the fun that summer brings.

Remember me in the fall
As you walk through leaves of gold.
And in the wintertime, remember me
In the stories that are told.

But most of all remember
Each day, right from the start.
I will be forever near you
For I live within your heart.
